IN THE COURTS.—Our Justices' Courts, this week, have een occurried with cases of wickedness from Wolf River

A number of young men from the Rittenhouse School District, were before Esquire Soper, on charge of rioting. The difficulty occurred one night last work, at a spelling ors were broken in, dreadful language was in dulged in, and a young war raged. After spending two days on preliminaries, the young men concluded to make friends and promise to behave themselves in the future. They were let off with a small fine and costs.

The latest joke is on our old friend, Major Vander On election day, he went to Highland to vote. Get ting his ticket, he proceeded to fix it. First and especially, he wanted to vote for Tom-that was so firmly decided, that it needed no consideration. He had one of them tickets with the names of an the candidates on for each office. He carefully went down the list, acraiching of the different offices, until he got to the bottom. So en-grossed had his mind been, that for the moment he forgot that the names of three Sheriffs were all on, and that in his already decided mind on the office, he had neglected to acratch the other names. He handed in the ticket, and just as it dropped from the judge's hand into the ballot box, he remembered that he had left the tigres names, and had lost his vote on the office of all others that he was a licitous about. The worst of it was, that in the close rabeing made, he did not know but that this post watermigh However, since he knows the result, we suppose he es joys the joke as much as any one.

VINECAR BITTERS Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the ower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unpamiled success of Visegas Birrens?" Our answer is, that they remove the cause of disease, and the patient reremove the cause of discase, and the patient recovers his healt. They are the great blood purifler and a life-giving principle, a perfect Renovator and Invigor stor of the system. Never
before in the history of the world has a medicine
been compounded processing the remarkable
qualities of Yixnoan Barriss in healing the sick qualities of Vinegas Br. Trees in healing the sick of every disease man is he'r to. They are a gentle Pur ative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Viscoral Org ns, in Bilious Diseases. They are easy of administration, prompt in their results, asfe and reliable in all forms of diseases. If men will enjoy good health, let them ase VINEGAR BITTERS as a medicine, and avoid the use of alepholic stimulants in every form.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by min eral poison or other means, and vital organs wasted beyond repair. Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that

ever sustained the sinking system. Billious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, M.s. sonri, Illinois, Tennessec, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Rounoke, James, and many others, with their vast tributaries, throughout our entire country during the Sammer and Autumn and requirably solluring seamer and Autumn, and remarkably solduring seasons of unusual heat and dryness, are invariably ompanied by extensive derangements of the much and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vixgoay BITTELS, as they will speedily remove the dark-colored viscid matter with which the bowels are

loaded, at the same time stimulating the secre-tions of the liver, and generally restoring the healthy functions of the digestive organs. Dyspepsia or Indigestion, Headache, Pain in the Shoulders Coughs, Tightness of the Chest, Dizziness, Sonr Ernetations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Langs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the off-prings of Dyspepsia. One bottle will prove a better guarantee of its merits than thy advertisement.

Scrofula, or King's Ixil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflamma-tions, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR ELETTERS have shown the great carative powers in the most obstinate and intractable cases.

For Inflammatory and Chroale Rhenmatism. Goz., Bilions, Remittent and Intermittent Fevers, Discuss of the Blood, Liver, Kidneys, and Bladder, these Bitters have no Such Diseases are caused by Vitiated Mechanical Discase .—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they ad-

Sore Eyes, Erysipelas, Peh, Scurfs, Discolorations of the Skin, Humors and Diseases of the
Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, larking in the system of so many thousands, are effectually destroyed and removed. No system of medieine, no vermifuges, no anthelminities, will free the system from worse the these Bitters. For Female Complaints, in young or

old, married or single, at the dawn of wom-anhood or the turn of life, these Tonic Bit-ters display to decided an influence that im-provement is from perceptible. provement is soon perceptible.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal.

For this purpose use VINEGAR BITTERS.

The Aperient and mild Laxative properies of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in cases of cruptions and malig-nant fevers. Their bulsamic, healing, and soothing properties protect the humors of the fances. Their Sedative properties allay pain in the nervous system, stomach, and bowels, from inflammation, wind, colic, cramps, etc.

Cleanse the Vittated Blood whenever

you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstracted and sluggish in the veius; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
